Thermal Treatment

Hair Transplantation

Plastic Surgery

IVF

Eye Treatments

Elderly and Disabled Care

Cardiology

Dental Treatment

Organ Transplantation

Contracted Providers

We provide your treatments
in our full-range and Accredited Hospitals.

Thanks to our pre-diagnosis and examination services that we offer to our patients before they come to health facilities; we inform you before the treatment with the observations of our specialist doctors and we ensure that the procedures are completed faster and easier.

Accommodation Services

We provide our patients to stay in 4 and 5-star luxury hotels with reliable, clean, quality and rich kitchens.

VIP Transfer Service

Our transfer officers and translators greet our patients with luxury VIP vehicles at the airport and meet the needs of urban transportation during the treatment process.

We communicate with our patients during the whole process before and after the treatment, we meet their requests quickly and accurately, we ensure that our patients are safe and feel happy.

Interpretation Service

We accompany our patients throughout the entire process with our expert translators assigned by CN MED so that our patients do not have any communication problems.

Cultural Activities

After the treatment processes of our patients are completed, we offer the opportunity to visit and see many historical and touristic places, including **UNESCO World Heritage sites**, with private guides.

Post-Treatment Services

After our patients return to their countries, we ensure the post-treatment controls and examinations, and the continuity of their communication with the doctors they receive treatment.
